

# Textual pitch

Hello Dears .

My name is wahida sultani I graduated from civil engineering in diploma grad and also founder of Maher tea.

My business idea is in the product and services I will be offering natural and organic tea from natural and herbal such a saffron,ginner,mintleaf,hael,cinamon,cloves,dry lemon and it will be natural and pure also good and useful for your health .

Clean packaging easy to use in in office, home, universities,resturants,any where different herbal in one package and its an organic teas less commonly called tisanes are beverage made from the infusion or decoction of herbs to my clients

My clients are from home qael,resturants,hotels,markets,supermarkets,stores,caftrias

And I will use social media, direct marketing and channels distributers as my marketing strategy and I would need partnerships from designing and packaging process and so on.

Regards

Wahida sultani
